MONA Contract

1. Your items are consigned for a maximum of 3 months. You will receive an email from Ricochet with your login details.
2. All saleable items are priced and documented on your account. Items are priced according to brand, age, and condition.
3. Consigners receive 40% of the final selling price. Items may be marked down from their original selling price due to promotions and length of time in the shop.
4. Items priced over \$500 will receive 50% of the selling price. There is a \$30 authentication charge for designer items without a receipt or authenticity.
5. MONA will not be responsible for any damage, stolen, or loss of an item. All items are left at the owner's risk.
6. Payouts via e-transfer for more than \$50 owing are paid out in the middle of March, June, September, and December. Please ensure that we have your email address linked to your bank account for e-transfers.
7. Items priced over \$100 can be picked up. The consignor must email one week before their contract is up to arrange pick up. You then have one week to pick them up; after that timeframe, we donate the items. Items under \$100 are not eligible for pickup and are donated to local charities.
8. All unsold items under \$100 will be donated to our charity of choice after the 3 month contract.

You can log in to your account at any time from our website
